TO WHOM IT MAY CONCERN

It is with great pleasure that I attest to the good character and disposition of HANS-ERIK PETERMANN who has been a teacher at the College since 2013.

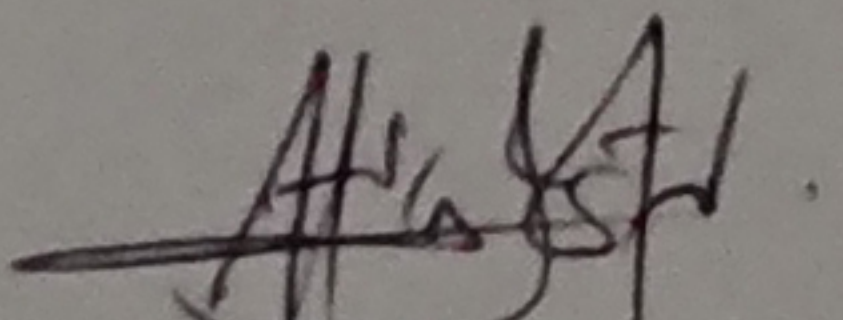

Erik is a brilliant German and Life Orientation teacher for grades 10, 11 and 12.

Erik impressed us with his diligence, commitment and sheer passion for teaching. He also provides well-prepared lessons and encourages his students to always strive to achieve their best. He also goes out of his way to elicit feedback from his students; inviting them to share their experiences. His commitment to professional growth, life-long learning and his students' well-being makes Erik an outstanding teacher who empowers his students.

Erik is pleasant, hardworking, energetic and creative. He has shown exceptional classroom management skills and developed a rapport with students, colleagues, and parents that is characterised by mutual respect.

I would highly recommend Erik Petermann as I personally believe he is a model member of our team, who provided consistent performance and managed to rise to the expectations of all.

Yours faithfully

Ivan Horn
