MR ERIK PETERMANN

Mr Erik Petermann has been teaching German as a Second Additional Language at Reddam House College (both at the Atlantic Seaboard and Constantia campuses) for several years. This subject is offered as a private arrangement to interested students after hours. The number of students varies from year-to-year, depending on the demand. Our students write the National Senior Certificate examinations through the Independent Examinations Board. This examination authority is highly respected and enjoys overseas recognition (see: www.ieb.co.za). Erik is completely familiar with the requirements of the IEB and he is a Matric marker for the IEB in Johannesburg. He has been involved in this capacity for many years and has vast experience of the examination requirements and systems. Our students have received exceptional results over the years (including 100%).

Mr Petermann takes his teaching seriously and professionally. He is punctual, reliable and committed to his undertakings. He interacts well with the teaching staff and is collegial and respectful. His students, in turn, respect him.

We wish Erik continued professional fulfilment and happiness into the future.
